A Brief note from the President:

Wow! Another school year has passed us by, which means that our Training Summit is just around the corner. As usual we have crammed a lot of great training into the 3-½ days! You definitely do not want to miss out on this year's summit. First of all we are going to be in beautiful Kennewick Washington. It is guaranteed to be HOT! Next, like I mentioned earlier, we have worked hard to make this year's conference the best. We are featuring John Giduck, the author of the book "Terror at Beslan." Giduck will be debriefing us on the lessons learned from the Beslan Russia siege. It promises to be very compelling and informative. If you haven't read his book then it is a must!

In addition to the training, I'd like you all to think of what you can bring to our organization. We will be electing many new officers and we need people like you!! If you are interested in running for a position, then please email one of us as soon as possible. We need to have your letters of intent in before the Training Summit. The following positions are open: President, 2nd Vice-President and Secretary.

Finally, we are looking forward to your nominations for Educator of the Year and DARE Officer of the Year. Please encourage someone to nominate you for the hard work that you do all year long!! As for the Educator of the Year, nominate your favorite teacher for all of the hard work that they do!

I am looking forward to seeing you all again! Come ready for a good time and to have a lot of great information thrown at you. If you can, talk a teacher or administrator into coming with you! The more people the merrier!

See you in Kennewick!
